EPIPHANIA NESTORY MBIKU

Arusha, Tanzania | 0797 404 855 | epiphanynestory@icloud.com | github.com/Toxic-phany.io/learning-html

PROFESSIONAL SUMMARY

Recent Form Six graduate (PCM) with hands-on training in web design and web development from E3Empower, including practical experience building HTML, CSS, JavaScript, and WordPress websites. Gained foundational AI knowledge through the AI Tapestry program and applied it as part of a team in the Agentic Hackathon, co-building and presenting a website. Collaborative, adaptable, and eager to learn, seeking a part-time or student role to apply and grow technical and teamwork skills while continuing studies in computer science.
